"The mission of the Ada-Borup School District is to educate and prepare all students for a successful tomorrow through academics, activities, arts and attitude."

The Ada-Borup School District is pleased to announce that parents now have access to the newly enhanced [online payment website](#), Lunchprepay.com. The website launched by Meals Plus includes updated features such as increased payment capabilities for parents to accommodate managing school meal accounts.

The new and improved online payment system gives parents 24/7 secure access to all of their children's meal account information. Parents have the ability to pay using debit or credit cards..

Other helpful website features includes the ability for parents to view a child's entire meal history, which is beneficial for monitoring the nutritional value of foods students consume. Parents will also be able to set low balance notifications when an account goes below a designated amount. Automatic text messages and e-mail alerts are also available when a new fee is assigned to their child.

To learn more visit www.LunchPrepay.com. To register for a new account, you will need your student's district student ID #. If you do not have this number you may obtain it from the school. The Ada-Borup School District is looking forward to provide more convenience for parents.
